

Blessed be our God!
Our Brother, **François Marie Jestin**, has been called to an everlasting dwelling place with the saints, in the 94th year of his age and the 70th year of his religious profession. He died 15 February 2008 in Créteil, France. Let us thank God for the gift of his life; let us thank Mary Our Mother for the gift of his perseverance. Together, let us pray that he may rest in the peace of Christ.
